

Moshe Honick is a graduate student at the University of Maryland School of Pharmacy (UMSOP) under the mentorship of Dr. James Polli. Moshe graduated from UMSOP with a PharmD in 2014 and expects to graduate with a PhD in Pharmaceutical Sciences in January 2019. Moshe's current research focuses on formulating amorphous solid dispersions (ASDs) into solid oral dosage forms and developing novel quality control tests to predict their pharmacokinetic performance.
